

How to Submit an LG Unitary Pro Dealer Incentive

Overview

This guide walks you through submitting an LG Unitary Pro Dealer incentive.

If you have not created an account that is your first step.

Note: Participation is limited to Pro Dealers. If you are yet an LG Pro Dealer, please **click here** to sign up. Participation is limited to the owner or principal owner of each company – only one owner per company may register.

Program Rules

- Eligible unitary equipment must be purchased and installed between October 13, 2025 and December 31, 2025.
- All incentive submissions must be received by 11:59 PM PST on January 7, 2026.
- An LG Pro Dealer can earn up to \$5,000 in incentives per company.

Step One - Log In:

Go to <https://lgrebate.com/> and select "Log In To Submit Equipment" then enter your email address and password. Once entered select "Login".

Maximize Sales with LG's Fall Unitary Pro Dealer Incentive Program

October 13 - December 31, 2025

Finish the year strong with LG's Fall 2025 Unitary Sales Incentive Program, running from October 13 – December 31, 2025. This program encourages the sale of complete single-zone unitary solutions, including Multi-Position Air Handling units in CV, High Efficiency and LGRED models, A-Coils, and inverter heat pump outdoor units. You can earn SPIFFs on every sale with no minimum requirement. Sell 10 systems to unlock a bonus, and sell 15 systems to maximize your earnings.

Terms and Conditions

Installation and any service work performed must be done by a trained qualified contractor who has completed LG training to install and repair the LG equipment. Contractors installing the LG Product(s) must also comply with all applicable laws, codes, and regulations related to HVAC work in the jurisdictions where the services are performed. LG disclaims all responsibility for improper installation of LG products, and any other claims, damages or liabilities arising from dealings with the contractor(s). All incentive submissions must be received by 11:59 PM PST on January 7, 2026. LG Pro Dealers can earn up to \$5,000 in incentives during the program period. Incentive payments are contingent upon available program funding. Claims will be reviewed and paid in the order received. The program reserves the right to deny or adjust payments once allocated funds have been fully committed. Once allocated funds are depleted, no additional incentives will be paid, regardless of submission date. Incentive eligibility requires installation of a complete system. Partial installations, add-on components, or replacement of individual units do not qualify for incentive payment.
